OBJECTIVE

To become an inspiring educator competent in delivering the subject knowledge, enhancing competencies, and defining overall goals in lifelong learning towards achieving the highest potential in one's personal and professional life.

PERSONAL STATEMENT

A professional banker for the past 29 years who has held the positions of Managing Director/Chief Executive Officer, Regional Manager, and Senior Manager, plans to shift his career from banking to lecturing. Over five years of experience in teaching at an MSc in Applied Finance Programme at the University of Sri Jayewardenepura, Sri Lanka. During these five years, I assisted professors and other lecturers with curriculum integration and classroom management. Participated in several induction programs as the keynote speaker to motivate and put the students on the right track. Skilled in teaching, managing the classroom, developing educational resources, and coordinating educational enrichment. Dedicated to effectively applying these experiences to a teaching opportunity.

TECHNICAL SKILLS

- Over five years of experience in classroom and online lectures at the MSc Level.
- Over ten years of experience in conducting various training programmes for employees.
- Setting of exam papers and assignments.
- Invigilating examinations as the supervisor.
- Marking of papers and assignments.
- Stimulating and guiding class discussions.
- Compiling bibliographies of specialised materials for reading assignments.

PERSONAL SKILLS

- Excellent at communicating, including networking effectively with other academics and professionals.
 - Good at planning and organising.
 - Able to understand different cultures and have a positive attitude.
 - Skilled at analysing information.
 - Skilled at using problem-solving skills.
 - Approachable and open-minded.
 - Thinking skills, resilience and being a team player.
-
